

# THE CLARE DEPOT IS ON THE MOVE !

**Join us on April 15th to watch the Clare Depot be moved to its final location!**

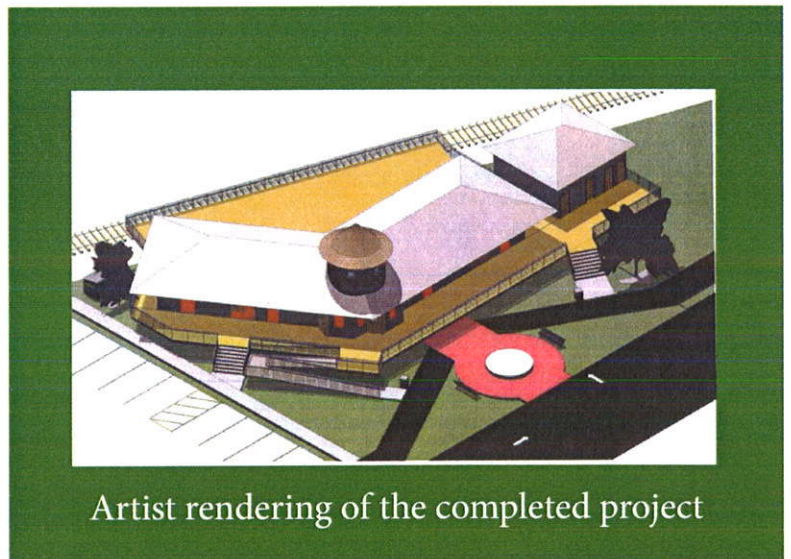

This move signifies an impressive milestone as we begin the next chapter in our mission to restore the Depot. The Depot will serve as a historical and cultural presence in downtown Clare, Mich., at the corner of Beech & Fourth. When restored, the building will house a Welcome Center, the Chamber of Commerce, be the Rail-Trail trailhead and function as a railroad museum.
